CHAPTER 11**

**RECUSAL ON SINGLE MATTER**

The undersigned judge served as a mediator in the dispute between the Debtor and BRM Parkway Center, Inc. The mediation did not result in a settlement of the parties' dispute.

On October 13, 2023, case 23-90005 was reassigned from Judge Jones to Judge Isgur. Judge Isgur recuses from hearing any disputes (whether in the main case or any adversary proceeding that may be filed) concerning BRM Parkway Center, Inc., its officers, directors, owners, or agents.

The BRM matters are reassigned to Judge Lopez. The parties should file a list of all pending BRM matters on the docket sheet in this case, with a copy sent to Judge Lopez's case manager.
